

Watching Shows

- **Live TV: Return to live TV at any time.**
Press the LIVE TV button on your TiVo remote to watch live TV. Press LIVE TV again to switch tuners.

- **My Shows: All your recorded or downloaded programs.**
My Shows is the first menu item on the TiVo Central screen. Here you'll find all of your recorded and downloaded shows and all of your TiVo recommended shows (TiVo Suggestions).

Hint: You can get to the My Shows list by pressing the TiVo button  on your TiVo remote control twice.

- **Parental Controls: Controlling access is easy.**
Restrict access to shows based on ratings or simply restrict certain channels. From the **TiVo Central** screen, select **Settings & Messages > Settings > Parental Controls**.

Getting recommendations

- **Discovery Bar: Get personalized recommendations.**
The Discovery Bar is the bar of thumbnail images across the top of TiVo Central and many other screens. The Discovery Bar helps you find new shows based on what your TiVo DVR knows you already like! And it doesn't contain only shows. You'll also find thumbnails for actors, collections of related shows, On Demand downloads, and more. Press the UP arrow to move up to the Discovery Bar, then the LEFT and RIGHT arrows to move around. Press SELECT on an image that interests you to open an information screen about that item.

- **TiVo Suggestions: Record shows that match your preferences.**
Based on the ratings you give to shows and movies, TiVo Suggestions automatically selects and records new content for you. It's a great way to make new discoveries. Don't worry, TiVo Suggestions won't override your own recordings or steal valuable disk space.

If you choose to auto-record TiVo Suggestions, you'll find a list of recorded TiVo Suggestions in your My Shows list. TiVo Suggestions are marked with a Suggestions icon .

Got questions? Here's how you can always find answers:

- Find detailed instructions on how to use the many features of your TiVo DVR at tivo.com/howto.
- Use the Help screens on your TiVo DVR. Go to **Settings & Messages > Help**.
- Contact your cable provider for customer support.

IMPORTANT: Register your TiVo DVR at tivo.com.

Write your TSN number here so that you have it handy in the future.

The TiVo® experience gives you total control of the TV programming you love, and much more! The TiVo® digital video recorder (DVR) also connects to the Internet and gives you access to an entire universe of movies, TV shows, web videos and streaming music.

Press the TiVo button on your TiVo remote control to get to **TiVo Central®**, the starting point for all of the amazing features at your fingertips!

For more instructions on using your TiVo DVR, be sure to visit www.tivo.com/howto.

Finding and recording shows

- **Season Pass® recordings: Record every episode of a show.**
Just select **Get a Season Pass** from a show's Information screen. You can even choose options like **First run only**.
- **Search: Find what you love to watch.**
From the TiVo Central screen, select **Find TV, movies & videos**, then select **Search**. Enter a few letters of the show title or actor name, and the TiVo service searches across TV and broadband to find matches.
- **Guide: Find out what's on TV now or later!**
Press the **Guide** button on your TiVo remote to find what's on right now, and what's coming up. Use the arrow keys to move around the guide. Press FORWARD  and BACK  to move right or left one page at a time. Press ADVANCE  to move 24 hours ahead and REPLAY  to move 24 hours back.

- **WishList® searches: Find shows that match your areas of interest.**
Search by actor, director, keyword or category, and every time a show's title or description matches your criteria, it's recorded for you. From the TiVo Central screen, select **Find TV, movies & videos**, then select **WishList saved searches**.

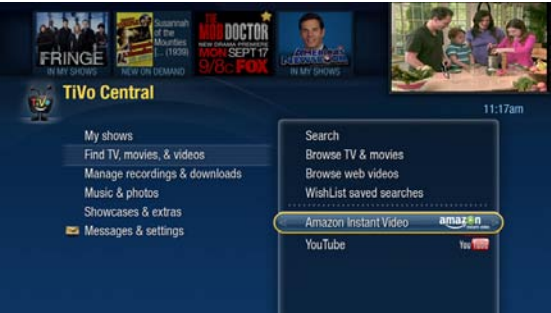

- **Collections: Find shows based on genre or category.**
From the TiVo Central screen, select **Find TV, movies & videos**, then select **Browse TV & movies**.

Even more cool stuff you can do...

Bring all your entertainment together.

The TiVo experience serves up the best entertainment from TV and the web — all in one place. Get hot on-demand movies, from Amazon Instant Video to web videos from YouTube™.

From the TiVo Central screen, choose Find TV, Movies & Videos, then choose the video provider you want.

For detailed instructions on how to find and enjoy on-demand shows and web videos, go to tivo.com/mytivo/howto and click “Get video on demand.”*

The TiVo Whole Home Solution

The TiVo whole home solution delivers TV and Video On Demand, plus web applications such as YouTube, Pandora, Rhapsody, Picasa, and Photobucket, to just about anywhere in your home!

Share shows from your TiVo DVR to the TiVo Mini, an extender box that enables you to stream shows from a centralized DVR to multiple TV locations.

Add a TiVo Stream to wirelessly deliver shows from your TiVo DVR to mobile devices such as tablets and smart phones. The TiVo Stream enables streaming of shows simultaneously to multiple portable devices without interrupting what’s playing on the television. The TiVo Stream also enables you to quickly transfer shows to your mobile device for viewing outside the home.

* Some video-on-demand features and options may be not available in your service area or from your service provider. Check with your service provider to see what options are supported in your area.

Play your favorite music on the best speakers in the house.

Pandora lets you create custom Internet radio stations personalized just for you, playing only the music you love!

From the TiVo Central screen, choose Music & Photos (for TiVo with HD menus) or Music, Photos, & Showcases (for TiVo with SD menus), and select Pandora. Follow the on-screen instructions.

For detailed instructions on how to set up and operate Pandora, go to tivo.com/pandorainstructions.

Record what you want. When you want. From where you want.

Take advantage of the Remote Scheduling feature to find shows and schedule recordings online using a computer, tablet or smart phone.

From your computer, go to www.tivo.com. Click the “Find TV Shows” tab, sign in, and select the TiVo DVR you want to receive the recording. Choose the TV show you wish to record, choose a recording option, and your request will be sent!

For detailed instructions, see tivo.com/remotescheduling.

Get the TiVo smart phone or tablet app for the ultimate remote control.

Download the TiVo apps from the iTunes App store or the Android Market.

Note: To use the app, you’ll need to make sure that the “Network Remote Control” setting is enabled on your box. From TiVo Central, select Settings & Messages > Settings > Remote, CableCARD, & Devices > Network Remote Control.

TiVo® remote control

To program your TiVo remote, press the *TiVo* button to go to the *TiVo Central* screen. Then select *Settings & Messages*, then *Settings*, then *Remote, CableCARD, & Devices*, then *Remote Control*. Follow the easy on-screen instructions.
